GRAND OPENING OF MARKET HOUSE SALES CENTER A HUGE SUCCESS – PITTSBURGH LOVES THIS CONCEPT

PITTSBURGH – On Saturday and Sunday, October 15th & 16th, Howard Hanna Real Estate Services celebrated the opening of the Market House Sales Center with much success and a steady stream of interested visitors. Located at the corner of Negley and Center Avenues in Shadyside, Market House is under construction now and will be a sleek, 5-story condominium building with an environmentally friendly rooftop garden.

“Market House is off to a fabulous start – Pittsburgh loves this concept,” said Helen Hanna Casey, President, Howard Hanna Real Estate Services, as she stopped by the Market House Sales Center after conveniently doing her grocery shopping upstairs at Giant Eagle. “This is the best thing to happen in Shadyside in years – the convenience of this building is indescribable. The building and the units are so stylish and in line with today’s market trends – they will all have kitchens with stainless steel Kitchen Aid appliances. Market House will be a wonderful place to call home.”

Everyone who visited the Market House Sales Center over the weekend agreed with Helen Casey on the convenience, style and affordability of Market House - fabulous Shadyside living – providing the ultimate in daily convenience with a full-service metropolitan market & café right at your doorstep along with on-site services such as dry cleaning, banking and pharmacy.

Special pricing from the \$160,000’s is available for a limited time with 10 different floor plans to choose from. The property will feature a gated entry with secure parking options.
